

I Believe that RM-10810 is the best idea that has been brought to the Commission in the form of a Petition for a Rule Making.

In my own words I could not have made a better poing myself and I move to ask the commision to set forth a public notice that this RM-10810 should be made active in the near future, and as soon as possible in the best interest of ALL Amatuer Operators.

Thank You,
